Please note that rehearsals will be in Sterling or close by. In August, we'll be rehearsing three nights a week, 7-9:30 and then moving to four nights a week in Sept. (7-9:30, later 10). Close time may change because of the venue, but we won't keep you later than that. Then we move to five nights a week closer to October. Not everyone will need to be at every rehearsal, particularly in the first month, I will try to schedule people in blocks. Hopefully, we'll be able to give you more time off. Blanche, Stanley and Stella will take the brunt of the schedule though.

**Week One:** Readthrough, **Week Two to Three:** Tablework/Prewrite, **Week Four to Six:** Blocking and Tightening, Check Ins **Week Seven & Eight:** Section Runs, Spot Fixes, **Week Nine:** Full Runs, **Week Ten:** Tech Week, **Week Eleven:** Heck Week (and Opening)
