DIRECTOR'S NOTE

I have always been obsessed with monsters. I got in trouble in school for always drawing monsters in Art class instead of "normal" things. I still have tons of monster comics from the 70's. To direct a show about monsters (both human and non-human) is a dream come true. The cast and crew of this show have been so great, and I thank the Playmakers for taking a chance on me. Time for scary stories!

- Gregg W. Carter
