### *A Note from the Director and Playwright...*

*Third time may be the charm, but fifth time must be the curse!*

*My fifth original musical has been beaten and battered by snow, ice, wind, cold, and conflicts. But I thank God for keeping us dedicated and determined throughout, and for providing us the space, the time, and the resources to bring this show together in the 59<sup>th</sup> minute of the 25<sup>th</sup> hour. What you see on stage tonight – and what you don't see supporting it from behind and around – could not have been possible without the truly miraculous talent and devotion of my cast and crew. Please be sure to read every one of their names in this program – all my fellow dreamers who helped guide Rapunzel through the maelstrom with her hairdo intact.*

*Of course, all the work and stress was not without a complement of fun. We've clearly enjoyed bringing this show to you, and I hope it shows. Our wish is that the short time you spend in this theater offers you a happy break from the struggles of daily life, a comfortable escape from the world beyond.*

Enjoy.
